

The index of music libraries is published in collaboration with the Editorial Committee of the International Association of Music Libraries ([IAML](#)).

The special volume RISM-Bibliothekssigel-Gesamtverzeichnis (RISM library . Complete index), published in 1999, has been available since 2006 in a regularly updated version on the [RISM](#) (Répertoire International des Sources Musicales).

A PDF of the RISM catalogue can be downloaded at [this address](#) .
